### JOY Global Inc. Assists China Earthquake Recovery With Financial Donation To Build New School

**Milwaukee, WI – June \_\_, 2008 – Joy Global Inc. (NASDAQ: JOYG),** a worldwide leader in high-productivity mining solutions, today announced that it has made a financial donation to the Red Cross Society of China in the amount of one million RMB (Renminbi) – or roughly \$150,000 – following last month's major earthquake in southwestern China's Sichuan Province. The quake destroyed thousands of buildings including rural schools, killing approximately 70,000 and leaving an estimated five million people homeless.

The corporate donation is expected to support the construction of a new elementary school in a hard-hit coal mining area in Sichuan. Individual donations from the 260 China-based employees of Joy Global's P&H Mining Equipment, Joy Mining Machinery and Continental Crushing & Conveying divisions have been collected at the Company's operations throughout the country. The RMB97,140 of donation from employees has been given to China Red Cross in May already.

"The recent devastating earthquake in China touched the lives of our many employees in that region of the world, and we share their concern and commitment to helping rebuild their country's infrastructure. To that end, we are pleased to make a donation to the Red Cross Society of China to assist with the construction of a new elementary school," said Mike Sutherlin, president and chief executive officer of Joy Global, Inc.
