FOR IMMEDIATE RELEASE

Joy Global Inc. Welcomes Continental Employees Worldwide

MILWAUKEE, WISCONSIN – February 22, 2008 – Following the completion of the acquisition of Continental Global Group by Joy Global Inc., meetings have taken place at Continental facilities worldwide welcoming employees to Joy Global Inc. Senior leaders from Joy Global visited Continental locations presenting information about P&H Mining Equipment and Joy Mining Machinery. Michael Sutherlin, President and CEO of Joy Global Inc., made the presentation at Continental's U.S. headquarters in Winfield, Alabama on February 15, 2008. During the presentation, the employees at the location were advised that Continental group will now be called Continental Crushing & Conveying, and will become the third business segment along with P&H Mining Equipment and Joy Mining Machinery under Joy Global Inc. Terry Nicola has been appointed President of this new division.

Continental is a worldwide leader in conveyor systems for bulk material handling in mining and other industrial applications. Continental designs, manufactures, installs and services highly engineered conveyor solutions for customers on six continents. The STAMLER surface crushers and underground feeder breaker product lines will be moved to the new division.

Michael Sutherlin said, "Continental products complement Joy and P&H products. Together we can offer our customers a complete solution for cutting, crushing and conveying material for both underground and surface applications."
